

International Journal of Multidisciplinary Innovative Research (IJMIR)

Author Guidelines

Author Assistance:

Publishing in the International Journal of Multidisciplinary Innovative Research (IJMIR) offers the following benefits:

- Fast publication time: Your article will appear online as soon as the review process is over and camera-ready paper is prepared.
- Outstanding editorial standards.
- Free colorful pages in the published paper.
- Access is free to all online issues of IJMIR.
- Thorough, fast and constructive peer review process

Submission: Authors are encouraged to submit their manuscript electronically to research@ciir.in with the domain name (Arts/Science/Medical/Biotechnology/Engineering) in the subject line.

Publication Time: Authors will receive a reviewer's comment in 6-7 days of submission of final manuscript and the published paper would be available online in a week after the submission of copyright form (link for online submission of copyright <https://forms.gle/53KMU1SktBLRt9bu9>).

Copyright: The statement must accompany all manuscripts submitted for publication in whole or in part for publication. For the mutual benefit and protection of authors and publishers, authors must authorize publication and send in a copyright form before publishing a work. You may use the above link to submit the copyright form else please fill the form (available at <https://cutt.ly/UQzaNUC>) and email a scanned copy of the filled form to research@ciir.in or send through post to Council of Industrial Innovation and Research (CIIR), B-17, Sector-6, Noida, Uttar Pradesh, INDIA, 201301.

Publishing Fee: Free of Cost (Unpaid)

Paper Format: The manuscript should be emailed to the editor with attachments. The file must be written in MS-WORD or PDF format for IBM-compatible computers.

Length of Paper: IJMIR transactions doesn't have any limitation on number of pages.

Sequencing Order: article title, author name, author's institution, abstract (150-200 words), body, table and caption, list of symbols and abbreviation (if necessary), numbered References, biographical sketches, original drawings.

Title: The article title should be definitive and concise (including searchable keywords).

Abstract: You should open your article with a short resume (up to 200-300 words).

- (1) Abstract clearly indicate the purpose, scope and results of the work so that the reader can decide whether the entire text will be of special interest to them;
- (2) Provide keywords and expressions for indexing, summarizing and searching.

Reference: References should be presented at the end of the article and numbered in the order of the articles. References should be cited in the following examples in Times New Roman (10).

- [1] X. Ning and M.R. Lovell, "On the sliding friction properties of unidirectional solid glass fiber composites", ASME J. Tribol., vol. 124, no. 1, 2002, pp. 5-13.
- [2] M. Barnes, "Voltage in Solenoids", J. Appl. Phys., vol. 48, no. 5, 2001, pp. 195-208.
- [3] J. Jones, "Basic Mechanics", Cambridge University Press, Cambridge, UK, chap. 6, 2000.
- [4] Y. Lee, S.A. Korpela, and R.N. Horn, "Structure of multicellular natural convection in high vertical annular spaces", Proc. 7th International Conference on Heat Transfer, W. Grigul et al., Ed., Hemisphere, Washington, DC 2, 1982, pp. 221-226.
- [5] M. Hasheesh, "Development of 600 MPa Waterjet Cutting Technology", High Pressure Technology, vol. 406, 2000, pp. 135-140.
- [6] D.W. Watson, "Thermodynamic Analysis", ASME Paper No. 97-GT-288, 1997.
- [7] Yu. K. Tung, "Transmission of vapor transfer in mixing contact lines", Ph.D. Papers, Rensselaer Polytechnic Institute, Troy, NY, 1982.

Article Submission: The editor-in-chief makes the final decision on whether to publish or not, with the recommendation of the editorial board. Manuscripts approved for publication in IJMIR cannot be published in other journals without the permission of the editor.

Specific Issues: Sometimes guest editors are encouraged to create special editions of three or more articles grouped around a common topic. We welcome suggestions for special editions with guest editors and publications.

Evidence: Evidence is sent to the author and must be returned within 1 week of receipt. Correction should be limited to printing errors. All other corrections are due to the authors. Late repairs may not be included, so authors are advised to carefully check the evidence prior to check-in. Corrected answers must be returned to the publisher.

Frequency of publication: Four times a year (Quarterly—Jan, April, July, October).

Publisher: Council of Industrial Innovation and Research (CIIR), B-17, Sector-6, Noida, Uttar Pradesh, INDIA, 201301. Email: info@ciir.in, Website: www.ciir.in
